Insurance

Rhodes Funeral Homes work with families to file insurance policies as a means to secure funding for services. For a funding fee of 6% of the funeral bill, we submit assignment on behalf of beneficiary. All signatures and required forms will be completed at the arrangement conference. If there is no insurance, or a policy is not assignable, unable to be verified or not in benefit (issued less than two years before date of passing), the entire balance must be paid in full prior to all ceremonies and/or disposition.

Payment Plans

Rhodes offers funding options through lending institutions to provide families additional time to pay for services. Please ask one of our directors if you would like to know more.
