This message is to be of assistance to anyone who has the responsibility for making decisions for funeral services.

The funeral, when properly planned, is a meaningful and valuable event that will help each of us face the separation which accompanies death. Family and friends will be of great help in this time of sharing memories and experiences.

Our staff will help you and be guided by your personal desires as well as family and religious traditions.

This folder has been prepared because not all families are financially prepared for death. With the price lists prepared and our staff to assist, we will explain the available choices and options and invite your frank discussion in the matters.

Sincerely,

THE STAFF OF WILLIAMS FUNERAL HOME
