Funeral Service Is Our Vocation

At Richardson Funeral Home of Jefferson, Inc., we have a moral and professional obligation to establish a compassionate and caring environment for you and your loved ones. We honor your trust and we seek to earn it through dedicated service and an enduring commitment fulfilling your funeral needs.

GENERAL PRICE LIST

These prices are effective as of February 07, 2022, but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire.

However any funeral arrangements you select will include a charge for our basic services and overhead (Profession Service Fee). If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the “funeral goods and services” you selected.

We accept insured pre-arranged plans from other New Orleans Regional Funeral Homes.

PROFESSIONAL SERVICE FEE **\$2170.00**

This charge covers our basic services and professional expertise. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities, and business expenses necessary to serve the public effectively. Also included in this charge are fees for consultations with the family, clerical and administrative services, preparation and filing of documents, consultation with the clergy, cemetery, common carrier, or time involved in procuring goods or services listed on our contract as “cash advance” items (for which we are not otherwise compensated).

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and for forwarding and receiving remains).

The Federal Trade Commission allows funeral providers to charge a fee thereby eliminating dependence on merchandise sales. By charging this fee, we can offer our merchandise (caskets, vaults, urns, etc) at a fair price.

INSURANCE PROCESSING FEE **3.5% of Final Bill**
